FOUNDATION APPLICATION WILDERNESS DISCOVERY CAMP APPLICATION

For the third year in a row, George Jeffrey Children's Foundation is so pleased to sponsor a **FREE** camping experience. Once again, we are choosing **TWO** clients and their 4 guests (family, parents, guardians, siblings and/or support workers).

Wilderness Discovery is a fully wheelchair accessible campground situated 80 kilometers west of Thunder Bay, Ontario. Wilderness Discovery was formed as a Non-Profit Corporation on April 7, 2017 with representatives on its Board of Directors from the Thunder Bay Rotary Clubs, Hill City Kinsmen, HAGI and the Shebandowan Lake Campers' Association who act as a management board to re-organize and refurbish the facility. The main use of the facility focuses on individuals with physical disabilities and veterans and their families, but the expectation is that the facility will be made available to other Non-Profit groups, and additionally when vacancies occur, corporate retreats, family reunions, and gatherings.

The successful applicants will each receive:

- Free 5 person cabin rental that has been reserved from Friday, August 16 to
 Wednesday August 21, 2024. Check In: 3 pm/Check Out: 11 am
- Access to all amenities; lodge, pontoon boat rides, bonfires, fishing, swimming, beach, paddle boats etc.
- Various gift cards to support purchasing groceries and other camping supplies etc.

Applications are due to George Jeffrey Children's Foundation **Friday**, **April 5**th **at 4:00 pm.** Applications will be reviewed by the Foundation's Board of Directors who will select the lucky clients!

Completed applications can be mailed into the centre to the attention of the Foundation, emailed to foundation@georgejeffrey.com, or dropped off at the centre's reception desk or mail slot at the front entrance.

"My 5 year old son Tanner is a client at George Jeffrey Children's Centre because he was born premature at 29 weeks and suffered a bilateral stage IV hematoma resulting in encephalitis and cerebral palsy. He has benefitted so greatly from the physiotherapy, occupational therapy and speech therapy provided by the amazing clinicians at the Centre. Tanner also uses mobility equipment to get around so when the opportunity came up to apply for a free client only camping experience at Wilderness Discovery Camp, a fully wheelchair accessible campground, I applied! Our family had an amazing time and we are so grateful to the Foundation for selecting our family and funding our camping experience!"
